4. Old Business

A. Other

Prepaid credit card to pay for Vonage, etc. RiverValley will not allow. Lee Ann will check with Moline to see if Moline can purchase a prepaid card. Sue Mannix asked when action can take place, nothing will be reported until January Assembly of the Whole.

Sue Mannix reported that City of Bettendorf finance/IT department will not agree to other member libraries staff maintain and troubleshoot telephony server, but will continue to do so on a cost recovery method. After the beginning of the year, we will have fee schedule available. Amy asked for elaboration. Sue indicated that she envisions that the City of Bettendorf will determine fees and those will be shared among member libraries according to our formula.

Payment will not be required until new fiscal year.

Sue Mannix asked if Assembly of the Whole would like her to ask the city to include the costs of processing Vonage bill with the costs of maintaining telephony server. It was requested that Sue pursue this information, and it was asked to have the telephony and Vonage fees quoted separately.
